PRESENTATION: "Mitigating Records Risks"

Presenter: Peggy Neal

Information Specialist Entrepreneurship Manitoba, Business Services Division
Member of the Board of Directors, ARMA

By attending this presentation you will learn how to:

- Include records as part of a business continuity or disaster recovery plan; including measuring the probability of risks and their impact on the organization
- Prioritize risks, assigning a value to records based on the business function they support and tracking the progress of strategies for mitigating risks to records in the organization.

This will be an interactive presentation and members will walk away with tools they can use going forward!

Register today at www.driecentral.org

Registration deadline: Monday, June 15, 2015.
