PRESENTATION: "Ebola: Preparedness and Response"

Presenters: Garth Tohms, Volunteer -Canadian Red Cross
Robert Munroe, Manitoba Health Office of Disaster Management

The current outbreak of Ebola in West Africa has infected over 20,000 people, resulting in nearly 9,000 deaths- of whom 500 were health care workers. The unprecedented world-wide effort to control the outbreak and provide resources to diagnose and treat Ebola patients continues.

By attending this engaging presentation you will:

- Hear from Garth Tohms (A.K.A. "Garth the Plumber") who will share experiences from his month-long deployment to Sierra Leone as a volunteer with the Canadian Red Cross;
- Learn about how Manitoba has prepared for Ebola, should a case ever present in our province;
- Discuss how you can help your company/organizations prepare for Public Health emergencies.
