**Time:** **11:30 to 12:00 Luncheon**  
**12:00 to 3:00 Presentation** (please note duration of presentation)

**Location:** Fort Gibraltar (Partners Room, 2nd floor of the La Maison Du Bourgeois), 866 St. Joseph Street in St. Boniface. St. Joseph runs north off Provencher Blvd between Taché Avenue and Langevin Street. For a MAP to Fort Gibraltar, please click [HERE](#).

**PRESENTATION:** **"STORM SPOTTING"**

**Presenter:** **Natalie Hasell**  
Warning Preparedness Meteorologist, Environment Canada Winnipeg

Do you know what to do when storm clouds threaten?

Want to learn how to protect yourself and your property from severe weather?

Join Natalie Hasell, Environment Canada's Warning Preparedness Meteorologist for "Storm Spotter" Training and learn what to expect from severe weather, including how to report and prepare for it. Learn about the structure of storms, the types of clouds to watch for and what Environment Canada's severe weather watches and warnings mean. In this extended luncheon, Natalie will focus on thunderstorm safety and how to recognize severe thunderstorms and related phenomena. Gain storm readiness in time for the summer thunderstorm season!
