**RED CROSS
MANITOBA EMERGENCY MEASURES ORGANIZATION
WINNIPEG REGIONAL HEALTH AUTHORITY**

In fall of 2015, Canada announced it would welcome 25,000 Syrian Refugees in the next few months. Emergency Management Organizations across the country were activated to assist in the logistics of facilitating this challenging task. Join DRIE Central on September 21, 2016 as a panel discusses the process, anticipated and unanticipated challenges and all the behind the scenes details of the Refugee Response. Guests include members of the Red Cross who assisted both internationally and domestically, the Manitoba Emergency Measures Organization and Public Health representatives.
